Please Tell Us When Your Telephone Service is Not Satisfactory

We endeavor to furnish a perfect telephone service and to have all dealings with our patrons pleasant and agreeable.

If you believe we have made a mistake—have done anything that isn't right—that isn't fair—we want to know it. We want to stop it at once.

If you think we have done anything that we shouldn't do, please give us an opportunity to remedy it. Don't tell your neighbor. He cannot correct it. We can.

Errors sometimes creep into our service through defects in the mechanical or electrical apparatus and are wrongfully believed to be the result of human inaccuracies.

When the delicate central office equipment, the line or the telephone instrument "go wrong," it isn't fair to condemn the operators. The operators—the "human machines"—do their work wonderfully well.

When there seems to be some fault in our service, please tell us at once and we will investigate and correct it.

By cooperation and mutual helpfulness we can be of the best service to each other.

WOMEN SHRINK FROM MODESTY

Bear Grievous Ailments Rather than Make Condition Known

The subjects of complaints peculiar to women is a delicate one, yet it is a plain duty to let these sufferers know that most of the derangements from which they suffer are due primarily to nervous debility.

Many a suffering woman, influenced by shrinking modesty, has borne this grievous condition without complaint rather than make a personal appeal. When women say, "I am all run down, so nervous and weak," that means they are victims of the modern malady.

Such women, and they are a legion in every community, suffer from headaches, backaches, loss of appetite and sleeplessness. Their spirits are always depressed and their lives are not the normally happy ones of their more fortunate sisters. Often, too, there are spells of nausea, weakness, or even fainting, that make them feel insecure and to wonder when they will be embarrassed, or even in danger, because of their condition.

For such suffering women Tanlac, the tonic, tissue builder, appetizer and invigorant, is ideal. Tanlac builds up the system, promotes digestion and proper assimilation of food, vitalizes the blood and brings back healthy color to the cheeks and real sparkle to the eyes.

Tanlac may now be obtained in Alliance at the Harry Thiele store, where its merits are fully explained.

ATTENTION, DRUGGISTS
 • An exclusive Tanlac agent is wanted in every Nebraska town.
 • For particulars address Agency Department, Cooper Medicine Co., Dayton, Ohio.
